

MWELO Event in Orange County Thursday, September 15th

A HYDROZONE PLAN?

ISN'T THAT AN IRRIGATION THING?

SUCCESSFUL IRRIGATION AND HYDROZONE STRATEGIES FOR COMPLIANCE WITH
THE WATER EFFICIENT LANDSCAPE ORDINANCE

LANCE SWEENEY, ASIC
SWEENEY & ASSOCIATES, INC.

Lance Sweeney

**Lance Sweeney, Sweeney Associates and
Nick Straabe from Hunter Industries Presents....
SCI Lighting 1881 Mc Gaw Ave, Irvine
5:30 - 6:30 pm**

Recent revisions to the Model Water Efficient Landscape Ordinance (MWELO) and increased state enforcement has resulted in the close scrutiny of WELO calculations and Hydrozone Plans by many local agencies. The Hydrozone Plan is the basis for the entire WELO ordinance and its importance is widely misunderstood. This presentation looks at the specific impacts of the Hydrozone Plan on the WELO calculations and discusses the potential pitfalls and strategies for successful implementation of the MWELO.

Village Nursery will bring plants and make a brief 10 minute presentation.

Schedule:
5:30 - 6:15 Networking / Mixer
6:15 Welcome Remarks
6:30 Presentation by Lance Sweeney

Cost:
\$20 ASLA Members
\$25 Non Members
\$5 ASLA Students
\$10 Students (Non ASLA Members)
