

## Get Involved: Join a City Commission!

Being a member of a City Commission opens the door to a plethora of opportunities to make a real difference in the community. Commissioners have a chance to voice the first opinion on upcoming projects and issues in the City, and get the first chance to vote on them before they head to the City Council. These are very important positions in our city government – now is your chance to get involved!

### VACANCIES

The **Civil Service Commission** has **two (2)** vacancies and the commission's responsibility is to hear employee appeals regarding disciplinary action.

The **Community Services Commission** has **three (3)** vacancies and the commission's responsibility is to serve as the City Council advisory board on the subjects of recreation and park's program.

The **Design Review Commission** has **two (2)** vacancies and the commission is responsible for reviewing building plans for commercial and residential projects with regard to architecture, colors, materials, and landscaping. *\*Representation from design professions such as architecture and engineering is required.*

The **Planning Commission** has **two (2)** vacancies and the commission is responsible for making recommendations to the City Council regarding land use by highly skilled professionals in the fields of academic, architecture and design.
